Note.—In column of "Total Number who actually Served on Juries at Spring Assizes, 1829," the figures marked thus (*) are only the members of juries in criminal cases. No information can be obtained in some countries as to the number of juries in civil cases, nor as to the amount of compensation. In some instances the number given in column 6 may include the same Juror twice, as some may have served on more than one jury. The legal scale of remuneration is £1 1 s. to a criminal jury in civil cases, and £2 1 12 s. to a special jury.

The information in columns 1, 2, 3, and 4 has been obtained from the High Sheriff of each County or his Sub-sheriff.
